Mask: Cult Leader

1 WP: Convince someone to deny logic because of your word.

All WP: Risk exile or death to defend your cult's belief system.

Dirge: Penitent

1 WP: Punish yourself for a mistake.

All WP: Risk death to correct an egregious error in judgement.

Banes & Curses

Lonely Curse
With mortals, Humanity counts –2; Presence/Manipulation failures become dramatic failures. Intimidation and Subterfuge unaffected.

Plague of Purity
Touch by Integrity 8+ mortal causes (10 – Humanity) bashing damage.

Merits

Air of Menace ●●
+2 to menace; others spend Willpower to pick fights. Social manoeuvring harder.

Fucking Thief ●
Steal flawed knowledge of a single one-dot advantage restricted to another covenant.

Honey With Vinegar ●
You earn influence from Allies, Contacts, and wide Mortal Status one step lower than normal. 1 point of influence at 2 dots or 4 dots respectively.

Indomitable ●●
+2 to contest or resist supernatural mental influence.

Secret Society Junkie ●
Dots in Status or Mystery Cult Initiation representing human secret societies also count as dots of Herd.
